Sometimes at night I have to stop work when I get that chill up my spine, and I start wondering what's behind me... Too bad, because nighttime is one of my most productive times. I tend to not go to the bathroom either.

Vol. 11 Rescue Mission

Story & Art by **Yoshiyuki Nishi**

The Demon Lord

Page wagered his own life to summon this envoy in the fight against Isabi.

Isabi

Forbidden magic law practitioner who made himself an envoy to obtain eternal life. Sole possessor of means to kill Teeki.

Page Klaus

Chief Investigator for the Magic Law Association, Yoichi's boss, and Muhyo and Enchu's former instructor.

Seven-Faced Dog

An envoy with the ability to change shape. Specialist at uncovering spectral crimes.

Umekichi Sasanoha

First clerk and Busujima's assistant. In his true envoy form he is called Unryuso. "Umekichi" is his human-form alias.

Harumi Busujima

Executor and one of the only practitioners in the world capable of "remote magic law."

Reiko Imai

Brave Judge who joined Muhyo and gang during the fight against Face-Ripper Sophie.

Mick

Member of the forbidden magic law group known as Ark. A heartless man who would as soon abandon a friend as kill a foe.

Teeki

Dangerous entity marked as a traitor to the Magic Law Association for 800 years.

Dramatis Personae

Jiro Kusano (Roji)

Assistant at Muhyo's office, recently promoted from the lowest rank of "Second Clerk" to that of (provisional) "First Clerk." Roji has a gentle heart and has been known to freak out in the presence of spirits. Lately, he has been devoting himself to the study of magic law so that he can pull his own weight someday.

Toru Muhyo (Muhyo)

Young, genius magic law practitioner with the highest rank of "Executor." Always calm and collected (though sometimes considered cold), Muhyo possesses a strong sense of justice and even has a kind side. Sleeps a lot to recover from the exhaustion caused by his practice.

Yu Abiko (Biko)

Muhyo's classmate and an Artificer. Makes seals, pens, magic law books, and other accoutrements of magic law.

Yoichi Himukai (Yoichi)

Judge and Muhyo's former classmate. Expert practitioner of all magic law except execution.

Rio Kurotori (Rio)

Charismatic Artificer who turned traitor when the Magic Law Association stood by and let her mother die.

Soratsugu Madoka (Enchu)

Muhyo's former classmate and Executor-hopeful until one event turned him onto the traitor's path.

The Story

Magic law is a newly established practice for judging and punishing the increasing crimes committed by spirits; those who use it are called "practitioners."

On the way to the Wailing Vale, base of the forbidden magic law practitioners, our heroes run afoul of Ark, and in the ensuing fray, Judge Imai is kidnapped! What's more, Muhyo's book of magic law is ruined. The team joins up with Executor Busujima, hoping to use her remote magic law for a rescue mission into the Vale. Meanwhile, Page and Yoichi battle Isabi, the only entity that knows how to defeat Teeki. The battle turns sour and Page is forced to invoke the Bells of Troy, enabling him to wager not only his tempering but his flesh and blood as well to bind an envoy to him. The rules of magic law have been changed...

Q: (1) WHEN YOU SAY PEOPLE WERE CLASSMATES AT M.L.S., THEY AREN'T NECESSARILY THE SAME AGE, RIGHT?

A: (1) NOT NECESSARILY. LIKE I SAID BEFORE, PEOPLE ENTER AT DIFFERENT AGES. I'M GUESSING THAT IF THEY'RE REALLY FAR APART IN AGE, THEY'D PUT THEM IN DIFFERENT CLASSROOMS THOUGH.

Q: (2) COULD ROJI ENTER THE M.L.S. NOW IF HE WANTED TO?
